Flying High Circus

Commemorative Brick Program

“Coaches’ Center Ring Garden” Donation

To honor the continuing dedication and the enduring traditions set forth by the past five Circus directors, the FSU Flying High Circus is creating a beautiful garden that will be called the “Coaches’ Center Ring Garden,” to be located on the Circus lot. The Coaches’ Center Ring Garden will specifically honor each former coach and recognize those among their students and friends who have made a memorial gift to aid in its creation.

Those who wish to honor their Coach will be recognized permanently in the Coaches’ Center Ring Garden in the following manner:

Level of gift:	Location of donor listing:
\$500 commitment over 5 years (\$100/year)	Black Onyx Monument listing
\$1,000 commitment over 5 years (\$200/year)	Brick in the ground around grove
\$10,000 commitment over 10 years (\$1,000/year)	Paver in the ground around grove
\$25,000 commitment over 10 years (\$2,500/year)	Bench around the grove
